Recommendation

I have become acquainted with Herr Hasenmaier and his team as solution-focused and as highly dedicated detectives. The high amount of experience in regards to the practice of investigations was obvious right from the beginning.

The elaborated strategies and problem solutions are discrete and very productive.

Herr Hasenmaier doesn't back off of highly sensitive and indeed risky challenges. Both as a lawyer and as a private person I can recommend Mr. Hasenmaier and his DSH for their work as top-notch.
